

Work Review – Discussion Starter

What's good about your work this year: achievements, duties, work environment etc?

What are things about your work that could be improved?

What are issues/duties you would like to negotiate?

Identify at least 3 things you would like to achieve working at *** in the next year?

Identify something that you would like to learn while working at *** in the next year?

Is there anything about the wording of the current job description that you would like to change?
